Chapter 5: Mental and Behavioral Disorders (F01–F99)

- F01–F09 Mental disorders due to known physiological conditions
  - Cerebral disease, brain injury or other insult leading to cerebral dysfunction
- F10–F19 Mental & behavioral disorders due to psychoactive substance use
  - Alcohol abuse/dependence
  - Substance abuse/dependence
- F20–F29 Schizophrenia, schizotypal delusional, and other non-mood psychotic disorders
Chapter 5: Mental and Behavioral Disorders (F01–F99)

- F30–F39 Mood [affective] disorders
- F40–F48 Anxiety, dissociative, stress-related, somatoform and other nonpsychotic mental disorders
- F50–F59 Behavioral syndromes associated with physiological disturbances and physical factors
- F60–F69 Disorders of adult personality and behavior
- F70–F79 Mental retardation
- F80–F89 Pervasive and specific developmental disorders
- F90–F98 Behavioral & emotional disorders with onset usually occurring in childhood & adolescence
- F99 Unspecified mental disorder
Chapter 5 Coding Guidelines 2011 Updates

- Chapter 5: Mental and behavioral disorders (F01 – F99)
  a. Pain disorders related to psychological factors
     Assign code F45.41, for pain that is exclusively psychological. Code F45.41, Pain disorder with related psychological factors, should be used following the appropriate code from category G89, Pain, not elsewhere classified, if there is documentation of a psychological component for a patient with acute or chronic pain.
     See Section I.C.6. Pain

b. Mental and behavioral disorders due to psychoactive substance use

1. In Remission
   - Selection of codes for “in remission” for categories F10–F19, Mental and behavioral disorders due to psychoactive substance use (categories F10–F19 with - .21) requires the provider’s clinical judgment. The appropriate codes for “in remission” are assigned only on the basis of provider documentation (as defined in the Official Guidelines for Coding and Reporting).
b. Mental and behavioral disorders due to psychoactive substance use

2. *Psychoactive Substance Use, Abuse And Dependence*

When the provider documentation refers to use, abuse and dependence of the same substance (e.g. alcohol, opioid, cannabis, etc.), only one code should be assigned to identify the pattern of use based on the following hierarchy:

- If both use and abuse are documented, assign only the code for abuse
- If both abuse and dependence are documented, assign only the code for dependence
- If use, abuse and dependence are all documented, assign only the code for dependence
- If both use and dependence are documented, assign only the code for dependence

3. *Psychoactive Substance Use*

As with all other diagnoses, the codes for psychoactive substance use (F10.9–, F11.9–, F12.9–, F13.9–, F14.9–, F15.9–, F16.9–) should only be assigned based on provider documentation and when they meet the definition of a reportable diagnosis (see Section III, Reporting Additional Diagnoses). The codes are to be used only when the psychoactive substance use is associated with a mental or behavioral disorder, and such a relationship is documented by the provider.
A “use additional code” note to identify blood alcohol level (Y90.–)

Fourth characters differentiate
- alcohol abuse (F10.1),
- alcohol dependence (F10.2), and
- unspecified alcohol use (F10.9).

Fifth and sixth characters describe with
- delusions, hallucinations, perceptual disturbances, sexual dysfunction, sleep disturbances, or other complications

**F10 Alcohol Related Disorders**

- F10.1 Alcohol abuse
  - *Excludes:* alcohol dependence (F10.2–)
    - Alcohol use, unspecified (F10.9–)
  - F10.10 Alcohol abuse, uncomplicated
  - F10.12 Alcohol abuse with intoxication
    - F10.120 Alcohol abuse with intoxication, uncomplicated
    - F10.121 Alcohol abuse with intoxication delirium
    - F10.129 Alcohol abuse with intoxication, unspecified
F10.1 Alcohol abuse

- F10.14 Alcohol abuse with alcohol-induced mood disorder
- F10.15 Alcohol abuse with alcohol-induced psychotic disorder
  - F10.150 Alcohol abuse with alcohol-induced psychotic disorder with delusions
  - F10.151 Alcohol abuse with alcohol-induced psychotic disorder with hallucinations
  - F10.159 Alcohol abuse with alcohol-induced psychotic disorder, unspecified

F14.2 Cocaine dependence

- Excludes 1: cocaine abuse (F14.1–)
- cocaine use, unspecified (F14.9–)
- Excludes 2: cocaine poisoning (T40.5)
- F14.20 Cocaine dependence, uncomplicated
- F14.21 Cocaine dependence, in remission
Cocaine

- F14.2 Cocaine dependence (continued)
  - F14.22 Cocaine dependence with intoxication
    - F14.220 Cocaine dependence with intoxication, uncomplicated
    - F14.221 Cocaine dependence with intoxication delirium
    - F14.222 Cocaine dependence with intoxication with perceptual disturbance
    - F14.229 Cocaine dependence with intoxication, unspecified

F17, Nicotine dependence

- Identify the nicotine product
  - cigarettes, chewing tobacco, or other nicotine product.

- Sixth characters
  - dependence is uncomplicated, in remission, in withdrawal, with other nicotine-induced disorders, or unspecified.
Nicotine Dependence

- F17.2 Nicotine Dependence
  - F17.20 Nicotine dependence, unspecified
    - F17.200 Nicotine dependence, unspecified, uncomplicated
    - F17.201 Nicotine dependence, unspecified, in remission
    - F17.203 Nicotine dependence, unspecified, with withdrawal
    - F17.208 Nicotine dependence, unspecified, with other nicotine-induced disorders
    - F17.209 Nicotine dependence, unspecified, with unspecified nicotine-induced disorders

Mental Retardation

- Categories F70–F79
- Code first any associated physical or developmental disorder.
Common etiology
- cerebral disease, brain injury, or other insult leading to cerebral dysfunction.

Primary dysfunction
- disease, injuries, and insults that affect the brain directly

Secondary dysfunction
- systemic diseases and disorders that attack the brain only as one of the multiple organs or systems of the body that are involved.

Tabular List Instructions
- Code first the underlying physiological condition

Category F02, Dementia in other diseases classified elsewhere

Manifestation category

Used with codes for specific types of dementia, such as Alzheimer’s disease (G30).

Code for specific type of dementia is sequenced first,
- followed by the appropriate F02 category code
Chapter 5 Mental and Behavioral Disorders

Jakob–Creutzfeldt disease with dementia

Coding Exercises

1. Panic Attack
2. Acute Delirium due to Klebsiella pneumonia
3. Alcoholism with acute intoxication, with blood alcohol level of 242
4. Coma due to Phenobarbital Intoxication, attempted suicide; no history of barbiturate abuse in the past; regained consciousness after 10 hours
Coding Exercises

5. Depression; patient grieving over death of son 2 weeks ago
6. Acute respiratory failure secondary to accidental crack cocaine overdose
7. Tobacco Use Disorder; chews tobacco
8. 36 week pregnancy; 1 pack per day smoker
9. Bipolar disorder, in manic phase, mild
Chapter 5 Mental and Behavioral Disorders

Summary

- March Followup
- 2011 ICD 10-CM/PCS Training Series Schedule
  - Schedule for 2011

  - CE Tracking Form
  - ICD 10 Recertification for AHIMA Credentials

Calendar of Events

- Next Webinar
  - April 14, 2011 @ 1:30 pm to 2:30 pm
    - Chapter 6 Diseases of the Nervous System (G00-G99)

- March 17, 2011 @ 5:30 pm in TE 3, rm 222
  - Health Information Technology Program Information Workshop

- March 26 & 27, 2011 @ Cypress College
  - CCS Exam Preparatory Review Weekend
Cypress College Health Information Technology Program and Kaiser Permanente
Instructions for Participating in the ICD 10-CM & ICD-10-PCS Webinar Series

All Webinars will begin at 1:30 pm the second Thursday of each month for 60 minutes

1. Dial your telephone conference line: (888) 886-3951
2. Enter your pass code: 977078
3. If you wish to participate in the Webinar, go to www.cccconfer.org.
4. Click the Student Log In button under the Teach & Confer logo at the bottom middle of the screen
5. Locate “ICD-10-CM and ICD-10-PCS Webinar Series” in the list and click on “Go”
6. Fill out the form and enter the password: 977078

STUDENT TELEPHONE CONFERENCE FEATURES:
*0 - Contact the operator for assistance with the audio.  *6 - Mute/unmute your individual line

QUESTIONS? CCC Confer Client Services is available Monday through Friday between 8:00 am - 4:00 pm at 760-744-1150 ext 1537 or 1554 or email clientservices@cccconfer.org.

Objectives:
1. Apply ICD-10-CM and ICD 10-PCS Coding Guidelines
2. Review Coding Guidelines for each Chapter focusing on patho-physiology and anatomy considerations and related procedures.
3. Raise awareness of knowledge of anatomy and disease process required for ICD-10 CM/PCS coding
4. Assign ICD 10-CM and ICD-10-PCS codes to most frequently occurring diagnosis and procedures.

Suggested Textbooks:
- ICD-10-CM and ICD-10-PCS Preview AHIMA Member Price $68.95 (Product #: AC206009)
- ICD-10-CM and ICD-10-PCS Preview Exercises: AHIMA Member Price $39.95 (Product #: AC216009)
- ICD-10-CM & ICD-10-PCS Codebooks from Ingenix

The codebooks can be downloaded free from the CMS Website:

http://www.cms.hhs.gov/ICD10/12_2010_ICD_10_CM.asp#TopOfPage

CCHIIM Releases New Details on ICD-10 Recertification for AHIMA Certified Professionals

Preparation has begun for the transition to ICD-10-CM/PCS. As transition quickly grows closer, it is critical that all AHIMA-certified Professionals are ready to adapt to the new changes. The Commission on Certification for Health Informatics and Information Management’s (CCHIIM) new recertification policy specific to ICD-10-CM/PCS is an important guide designed to help prepare all AHIMA certified professionals for whatever changes ICD-10-CM/PCS may bring.

The required ICD-10-CM/PCS continuing education hours determined by CCHIIM are applicable to the specific AHIMA credential(s) held by the individual. Earning these CEUs validates that certified professionals have gained knowledge of the new coding system and are able to integrate this knowledge into their positions.

The total number of ICD-10-CM/PCS continuing education units (CEUs) required by AHIMA credential is as follows:

- CHPS – 1 CEU
- CHDA – 6 CEUs
- RHIT – 6 CEUs
- RHIA – 6 CEUs
- CCS-P – 12 CEUs
- CCS – 18 CEUs
- CCA – 18 CEUs

The policy was updated to reflect the different needs of HIM professionals in regards to ICD-10-CM/PCS. To reap the most benefits from their continuing education hours, AHIMA certified professionals are encouraged to choose experiences which relate as closely as possible to their job roles. The needs of a CCA or CCS who regularly apply codes are very different than a CHPS who needs a more general awareness of the system structure and its potential impact on workflow processes. The required competencies vary from awareness and usage to application.

Some examples of educational opportunities to fulfill these requirements include but are not limited to:

- Introduction to ICD-10 basics
- Business Impact and Implementation Considerations
- Understanding General Equivalence Mappings (GEMs)
- ICD-10-CM Structure, Guidelines and Conventions
- Clinical Documentation Improvement Strategies using ICD-10 CM
- Biomedical Science coursework such as Anatomy and Physiology and pathophysiology refresher courses
- Data analysis and trending with ICD-10-CM coded data
- ICD-10-CM and its effect on reimbursement methodologies

AHIMA Certified Professionals are able to earn ICD-10-CM/PCS specific CEUs during the period of January 1, 2011 thru December 31, 2013. For more information on earning ICD-10 CEUs, or specific education and activity recommendations, please visit the Recertification Web site.

Spring Review: Saturday, March 26 and Sunday, March 27, 2011

Saturday:
- 8:00 am Registration
- 8:30 am Welcome & Introductions
- 12:00 pm Lunch
- 4:30 pm Adjournment

Sunday:
- 8:30 am Mock CCS Exam
- 12:30 pm Lunch
- 1:30 pm Review Exam Results
- 4:30 pm Adjournment

Instructor: Maria Castillo, RHIA, CCS, CCS-P

Workshop Format:

Day 1 is a review of CCS exam taking strategies, coding conventions and principles for each ICD 9-CM chapter; CPT coding guidelines by body system; review of MS-DRGs, AHA Coding Clinics and CPT Assistants.

Day 2 is a Mock CCS exam consisting of 60 multiple choice questions taken online for 60 minutes and coding inpatient and outpatient records for 180 minutes. Records are reviewed online and codes typed on Excel answer sheets. After lunch, correct answers will be reviewed and questions answered. Each participant will receive a CD with Day 1 review materials; Day 2 mock exam with answers; the Official ICD 9-CM Coding Guidelines and other helpful materials.

Cost: PLEASE REGISTER EARLY!! SEATING IS LIMITED

- $200.00 AHIMA & AAPP Members
- $250.00 Non-AHIMA Member
- $150.00 Student Members of AHIMA
- $275.00 Registration at Door

Place: To attend the review, check the date and one of the following locations:

- RSVP By March 21, 2011 for the Spring Review
- Join us at Cypress College in Tech Ed 3, room 216 Computer Classroom
  9200 Valley View St., Cypress, CA 90630 (1/2 block South of Lincoln)
- Webinar: Connect to Cypress College with your computer. Select this format if you cannot come to Cypress College but wish to participate in a “Virtual CCS Exam Review.” You’ll participate and ask questions as if you were physically present. We will send connection information once you register.

Email Address: __________________________ AHIMA AAPP Member #: __________________________
AHIMA Student Member: Yes No Amount Enclosed: __________________________

Please make your check payable to Cypress College. & Mail to: Rosalie Majid, RHIA
Director, Health Information Technology Program
Cypress College
9200 Valley View Street
Cypress, CA 90630
714-484-7289 rmajid@cypresscollege.edu

Directions to Cypress College

Cypress College is located between the 91 and 22 Freeways east of the 605 Freeway.

Use parking Lot #2, #3 or #4 as on Saturday and Sunday there is no charge for parking. Tech Ed 3 is Building TE3 on the adjacent map. The sign on the building says: Technical Education 3, Health Science. Entrance to the second floor of the building is via the large stairway or there is an elevator underneath and behind these large stone stairs. Parking is free on Saturday and Sunday.
